

PWL hit a Home Run!

PWL is very pleased to announce the sale of [Maguire Groves \[link\]](#) in June. The 33,300 sq. ft. shopping center was originally purchased in November 2013 for ~\$5.6M and just sold for **~\$15.7M**. At the time of purchase, the property was 71% occupied, and the going-in cap rate was 6%. When we sold, at a cap rate of 6.4%, the property was 100%. Maguire was purchased as part of the same 4-property investment pool as [Promenade Shoppes \[link\]](#), [Sherwood Marketplace \[link\]](#), and [Lake Louise Plaza \[link\]](#), which were all sold in 2022.

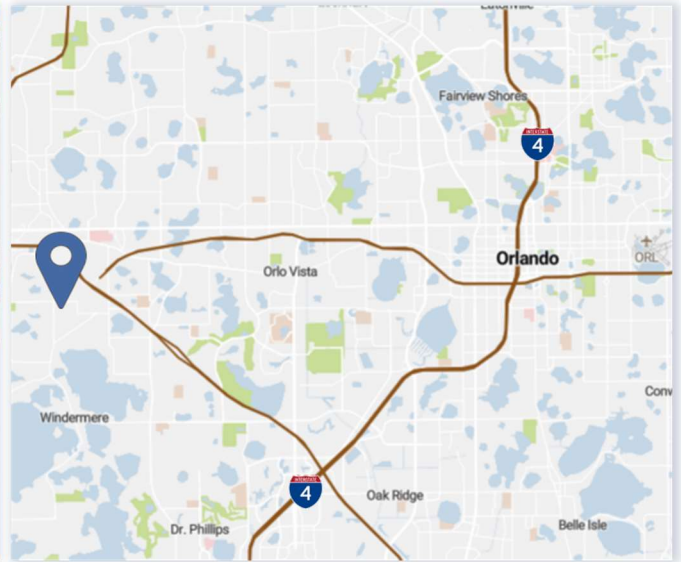

Purchase Price (Nov 2013)	\$	5,600,000
Capital Expenses	\$	613,167
Total	\$	6,213,167
Net Sale Price (Jun 2024)	\$	15,656,144
NOI During Ownership	\$	7,210,704
Total	\$	22,866,849

	Gross	Net
IRR	21.9%	20.1%
MOIC	3.6x	3.2x
Annual Return		27.65%

We purchased Maguire Groves all cash; once it was stabilized, we then took out a mortgage and distributed the loan proceeds to investors. They had half their initial cash returned in just 18 months. This is one reason for the superior IRR.

The numbers above may improve slightly. There is a holdback on a portion of the sale proceeds pending the outcome of a tenant move-in. Major tenants at Maguire included Regions Bank, Great Clips, Ellie Lou's Brews & BBQs, The Brave Burger, and The Coffee Corp.

PWL Events

Each year, we host 3 meetings in the Seattle area for PWL investors and their advisors. On a less rigid schedule, we also host investor meetings in other cities around the country. Later this month, we will host our 2024 Summer Investor Lunch in Bellevue. The meeting is open to invited Members of any PWL-managed entity, as well as investment advisors who have clients invested with PWL. This meeting will be made available via Zoom for those who can't attend in person. At the meeting, we will review the results for PWREI, PWRE2, and our Qualified Opportunity Funds. We will also provide some market insights based on our recent experiences. We think it's important that we regularly host a public forum during which we take all questions from investors.

PWL supports the [Pancreatic Cancer Action Network \[link\]](#) (PanCAN), a 501(c) non-profit that funds research, provides patient/caregiver support, conducts community outreach, and advocates for increased federal research funding for those affected by pancreatic cancer. This month, PWL made its annual contribution to the PanCAN Network.

If you're like many of us here at PWL, you enjoy visiting **Whidbey** at least once every summer. Next time you're in **Anacortes**, be sure to check out [The Wishing Rock \[link\]](#), a gift shop that opened last year in Old Town. The shop has an indoor sunroom with hundreds of plants, including bonsai. The Wishing Rock is located at [716 Commercial Ave, Anacortes, WA 98221](#).

Final thought Thank you to everyone who joined us in celebrating the retirement of Dennis Johnson, our Leasing Director for the past 12 years. Thank you also to everyone who sent Dennis a card or letter. Dennis and Josh had a great time hitting the golf course with investors and friends. This was followed by a buffet dinner, tributes to Dennis, several toasts, and a few tears. We gifted Dennis a massive wine cart for his seaside deck as well as tickets for a getaway trip with his wife, Mary. Once again, PWL extends its gratitude to Dennis for his contributions over the years. He will be missed around the office, although he promises he will not become a stranger. **Bon Voyage, Dennis!**

Club Deals

As you can see from our recent sales, we continue to source high-quality, tax-advantaged real estate investments even in this challenging market. **If you're interested in participating, please give me a call.** The terms for club deals are very similar to those underlying PWRE1 & PWRE2. We charge a 1% one-time acquisition fee and 1% per year of asset value. We split the profits 80/20, in favor of investors. The minimum investment is typically

\$250K. **Typically, Club Deals are only circulated to potential investors who ask about participating.**

1031 Exchanges

In the last two years, PWL helped facilitate **eight 1031 exchanges** for investors, including the very recent [Conquistador Apartments](#) to [Anderson Central](#) exchange. The tight 45-day property identification period is the biggest challenge of the 1031 exchange process. Unlike most of us, Josh and his team analyze every single property that comes onto the market, which is critical to not miss a potentially excellent investment in the current, challenging market. This wide-net view of the current offerings, along with our thorough and

conservative evaluations, means we only put opportunities in front of potential investors that we feel will make for truly high-quality investments.

We do not reduce the rigorousness of our evaluation process on properties simply because we have an investor needing to make a 1031 exchange, so the more advance notice we have, the higher the likelihood you will make a successful exchange.

PWL signed three new leases and three lease extensions in June:

[Verizon Wireless](#) exercised its option to renew for 5 years in its 1,400 sq. ft. space at [Loggins Corner](#).

[Cricket Wireless](#) exercised its option to renew for 5 years in its 1,400 sq. ft. space at [Tupelo Market](#).

[Scenthound](#), a national dog grooming franchise, signed a new 5-year lease for a 1,570 sq. ft. lease at [Rosemount Crossing](#).

[Marco's Pizza](#), a national pizza chain, signed a new 5-year lease for a 1,500 sq. ft. lease at [Magna Carta Place](#).

Beirut Restaurant signed a new 5-year, 1,400 sq. ft. lease at [Rosemount Crossing](#).

American Nails exercised its option to renew its 1,250 sq. ft. lease for 5 years at [The Pointe at Epps Bridge](#).

If you'd like to meet for breakfast or lunch, please give me a shout so we can get something on the calendar. I **love** to get out of the office during the summer to soak up some beautiful weather.

Stay healthy & keep smiling –
