

August 2024 Update

Thank you to the PWL Members who attended the summer Investor Lunch and Zoom broadcast. We had an excellent turnout and enjoyed a delicious lunch hosted at Bakes Place. At the meeting, we discussed recent results for PWREI, PWRE2, and our Qualified Opportunity Funds. We had a robust Q&A session; we appreciated all the questions. Here are a few data points from the lunch regarding PWREI and PWRE2:

PWREI's Theoretical Multiple of Invested Capital (MOIC) has passed the 2x mark. PWREI has an unreturned capital balance of \$28.3M (57%), with 43% of capital returned and a Net Fair Market Value of \$53.7M (per audit).

PWRE2's MOIC has passed the 1.75x mark. PWRE2 has an unreturned capital balance of \$22.9M (55%), with 45% of capital returned and a Net Fair Market Value of \$39.7M (per audit).

Overall, PWL's aggregate book assets were up 8.5% in 2024 Q1 compared to 2023 Q1. We are happy with the results in both PWRE1 and PWRE2.

Philanthropy: If you take a look at the map, you'll see Kitsap County is long and oddly shaped, cut up by many inlets and harbors that are all part of the Puget Sound. Bremerton is less than 7 miles from Bainbridge Island, but because of the ocean that divides us, it's a 30+ minute drive. While Bainbridge is relatively affluent, Bremerton is the least affluent city in the county. For a few years, PWL has been supporting St. Vincent de Paul – Bremerton (SVdP), which operates the county's best

emergency shelter for women and children, as well as a food bank. Last month, the food bank moved into a new, cleaner, and healthier location next door to the old, sometimes leaky, warehouse where it had been housed for many years.

Several months ago, learning of the impending move, St. Michael Medical Center of Silverdale, WA, donated a walk-in refrigerator and freezer to SVdP. The hospital had just moved into its new

digs, and they handed down two almost-new, very large refrigeration units. These were much needed, as the refrigeration units the food bank had been using were wrecks, often not functioning, with the old freezer held together by duct tape. In 2023, the food bank distributed over 650-thousand pounds of food. That number would have been even higher if the old walk-ins were not frequently on the fritz. Going forward, that shouldn't be an issue. **PWL donated the \$37,816 necessary to get the sorta-new walk-in units installed, wired, and plumbed at the food bank's new location.**

Corporate Transparency Act: For investors who have their own personal or family LLCs, remember that January is the deadline for complying with the **Corporate Transparency Act (CTA)** for any legal entity formed prior to January 1, 2024. See <https://corpgov.law.harvard.edu/2021/02/18/corporate-transparency-act-what-companies-need-to-know/> for more details.

Club Deals

As you can see from our recent sales, we continue to source high-quality, tax-advantaged real estate investments even in this challenging market. **If you're interested in participating, please give me a call.** The terms for club deals are very similar to those underlying PWRE1 & PWRE2. We charge a 1% one-time acquisition fee and 1% per year of asset value. We split the profits 80/20, in favor of investors. The minimum investment is typically \$250K. **In general, Club Deals are only circulated to potential investors who ask about participating.**

1031 Exchanges

In the last two years, PWL helped facilitate **eight 1031 exchanges** for investors, including the very recent [Conquistador Apartments](#) to [Anderson Central](#) exchange. The tight 45-day property identification period is the biggest challenge of the 1031 exchange process. Unlike most of us, Josh and his team analyze every single property that comes onto the market, which is critical to not miss a potentially excellent investment in the current, challenging market. This wide-net view of the current offerings, along with our thorough and conservative evaluations, means we only put opportunities in front of potential investors that we feel will make for truly high-quality investments.

We do not reduce the rigorousness of our evaluation process on properties simply because we have an investor needing to make a 1031 exchange, so the more advance notice we have, the higher the likelihood you will make a successful exchange.

PWL signed 6 new leases in July:

[My Georgia Credit Union](#) signed a new 10-year, 2,100 sq. ft. lease at [Loggins Corner](#).

[Any Lab Test Now](#), a national medical lab chain, signed a new 5-year, 1,200 sq. ft. lease at [Log Pond Plaza](#).

[Hair Mechanix](#), a Midwest barber franchise, signed a new 1,300 sq. ft. lease, for 5 years at [Sugarcreek Crossing](#).

Mattress Clearance Center signed a new 3-year lease for 2,650 sq. ft. at [Bellevue West Shopping Center](#).

Fresh Meat IN Mart, a local butcher shop, signed a new 1,154 sq. ft. lease for 5-years at [Castleberry Promenade](#).

Taqueria Los Patrones signed a new 10-year, 3,200 sq. ft. lease at [Meridian Marketplace](#).

If you'd like to meet for breakfast or lunch, please give me a shout so we can get something on the calendar. I **love** to get out of the office during the summer to soak up some beautiful weather.

Stay healthy & keep smiling –
