

Hopefully everyone enjoyed a patriotic 4<sup>th</sup> of July!

PWL decided to forego its traditional Summer meeting this year. This mid-year session has traditionally been a more informal opportunity to connect, especially for those in the Seattle area, but with our main meetings now held via Zoom in April and December, we've found the summer meeting often doesn't bring much in the way of new updates. This year, the "news cupboard" is especially bare. Rather than formalize what has always been a lighter-touch event, we've decided to take a break this year.

We host two to three such large meetings each year in the Seattle area (two of which we live-stream for those who can't attend in person), typically in April, July, and December. We also host smaller Member meetings in Boise, Portland, the San Francisco Bay Area, Silicon Valley, and occasionally other places on a less predictable schedule.

**Miles with Meaning: Kass Kupcho, our Assistant Investor Relations & Marketing Manager, was selected for a charity-sponsored entry in the 2025 TCS Sydney Marathon on August 31<sup>st</sup>.** She's running on behalf of [The True Athlete Project](#), a nonprofit organization, and as part of her sponsorship, she's committed to raising \$2,500 to support their mission.

The True Athlete Project (TAP), is a 501(c) non-profit; ID #81-1063080, that uses sport as a tool for healing, personal growth, and social change.

TAP's work is built on the belief that sports can be about far more than a win-at-all-cost culture or competition; it can be a space for healing, empathy, and transformation. Kass has been a lifelong runner, beginning at age 12. In just the past year, she has completed 10 races, including a marathon in May. With Sydney now officially joining the ranks of the six other Abbot World Marathon Majors (New York, Boston, London, Tokyo, Chicago, and Berlin), this will be her first "Major." While running down under will be an impressive personal milestone, Kass is also driven by the opportunity to support TAP's mission to create meaningful change through sport.

**If you'd like to read more about her story or support this mission, here's a link to her fundraising page: [Miles with Meaning - 2025 TCS Sydney Marathon](#).** PWL will be making a contribution toward her fundraising goal. We are all very proud of Kass's heart and commitment.

Save the date! The [Bainbridge Island Auction & Rummage Sale](#) will be held July 12, 2025.

This huge rummage sale takes place on this one day only, while donations and set up occur during an entire week before that. This set up week is a ton of work, but also a great community event, with volunteers from Bainbridge Island coming together to support the Rotary Club and the community. Martin and other staff members volunteer each year. **It really is the best garage sale ever.**

**Golfing for a great cause! The 16<sup>th</sup> Annual Bertha L. Johnson Memorial Golf Tournament** returns this month to the beautiful [Port Ludlow Golf Course](#) on Thursday, July 24, at 1:30 pm. This four-person scramble tournament is organized by Dennis Johnson, our former Leasing Director. Please consider participating in the event for a day of food, prizes, and friendly golf while supporting a great cause. This tournament is open to golfers of all skill levels. The Bertha L. Johnson Memorial Golf Tournament is an officially sanctioned event of the [Pancreatic Cancer Action Network \(PanCAN\)](#), a 4-star rated charity with a 97% score for impact and financial accountability according to [Charity Navigator](#), a non-profit evaluator. All proceeds will be donated to PanCAN, a 501(c) non-profit; ID #33-0841281. A golfer's \$199 entry covers green fees, cart rental, range balls, a welcome gift, dinner, and prizes. **For any PWL investor who participates in the event, we will match the golfer's \$199 entry.** Please contact Dennis ([djfairwind@comcast.net](mailto:djfairwind@comcast.net)) for more details and to register.

## Club Deals

As you can see from our recent investments and sales, we continue to source high-quality, tax-advantaged real estate investments even in this restricted market. If you're interested in participating, please give me a call. The terms for club deals are very similar to those underlying PWRE1 & PWRE2. We charge a 1% one-time acquisition fee and 1% per year of asset value. We split the profits 80/20 in favor of investors. The minimum investment is normally \$250K. **Typically, Club Deals are only circulated to past PWL investors who ask about participating.**

## 1031 Exchanges

In the last three years, PWL helped facilitate **more than a half-dozen 1031 exchanges** for investors, including the very recent [Sunset Place](#) to [Kings Lake Center](#) exchange. The tight 45-day property identification period is the biggest challenge of the 1031 exchange process. Unlike most of us, Josh and his team analyze every single property that comes onto the market, which is critical to not miss a potentially excellent investment in the current, challenging market. This wide-net view of the current offerings, along with our thorough and conservative evaluations, means we only put opportunities in front of potential investors that we feel will make for truly high-quality investments.

We do not reduce the rigorousness of our evaluation process on properties simply because we have an investor needing to make a 1031 exchange, so the more advance notice we have, the higher the likelihood you will make a successful exchange.

## PWL executed two new leases, two lease extensions, and a lease amendment in June:

---

Bath & Body Works, the national home fragrance chain, amended its current month-to-month 2,800 sq. ft. lease for 4 years at Greensburg Commons.

---

Sport Clips, the national barber chain, exercised its option to extend its 1,200 sq. ft. lease for 5 years at Massard Farms.

---

Teriyaki Madness, a national teriyaki restaurant chain, signed a new 1,950 sq. ft. lease for 10 years at Sugarcreek Crossing.

---

Boost Mobile, the national wireless communications provider, signed a new 1,200 sq. ft. lease at Dublin Village for 5 years.

---

Cell Phone E.R. exercised their option to renew their 800 sq. ft. lease for another 3 years at Bellevue West Shopping Center.

---

**Final thought:** The passage of the 2025 Tax Reconciliation Act was important for real estate investors. Most importantly and overlooked by the press, the investment framework that had been set up in 2017 and that was due to expire has been maintained. In addition, there is one provision which is especially helpful for PWL investors in particular. Bonus Depreciation has been restored to 100%. For investors in our Club Deals, this provides a substantial year-one tax benefit.

We hope your summer is going well. Let us know if you'd like to stop by for lunch while the sun is shining,
