

In April, PWL will host our 2026 annual meeting for current investors and their financial advisors. For investors and advisors unable to attend this Seattle-area meeting in person, participation will also be available via Zoom. The annual meeting features a review of the previous year's results, including commentaries on the recently released audits and tax returns. Such meetings always include a robust question-and-answer session.

PWL has purchased another Club Deal! ***Portage Crossing*** is a 120,536-square-foot neighborhood shopping center consisting of six multi-tenant buildings. The property features a well-regarded mix of national and regional tenants, and its newer construction is expected to reduce capital expenditures and maintenance during the hold period. The center is shadow-anchored by the Giant Eagle Market District grocery store, which is the chain's #1 location in Ohio, ranked sixth nationwide, and attracts 1.6 million annual visits. These characteristics put it a cut above most other properties we see listed for sale.

Behind the scenes, we're in the midst of tax and audit season at Pacific West Land. Our accounting and investor relations teams are deep into our annual review process, coordinating closely with our independent auditors at BDO and providing detailed year-end files, spreadsheets, and documentation. While it's a quieter period externally, there's significant activity internally as we finalize reporting, an important part of how we keep our operations running smoothly to position the firm for a strong year ahead.

Club Deals

Our recent investments, such as [*Portage Crossing*](#), demonstrate that we continue to source high-quality, tax-advantaged real estate investments even in this challenging market. If you are interested in participating, please don't hesitate to call me. The terms for club deals are very similar to those underlying PWREI & PWRE2. We charge a one-time acquisition fee of 1% and an annual management fee of 1% of the asset value. We split the profits 80/20 in favor of investors. The minimum investment is typically \$250,000. **Usually, Club Deals are only circulated to past PWL investors who inquire directly about participating.**

1031 Exchanges

In the last three years, PWL has facilitated **more than a half-dozen 1031 exchanges** for investors. Our recent acquisition of [*Cooper Village*](#), added another property to our growing list of Investment Vehicles that include 1031 exchange dollars.

The tight 45-day property identification period is the biggest challenge of the 1031 exchange process. Josh and his team analyze every single property that comes onto the market in the states and sectors we follow, which is critical for finding potentially excellent investments in the current challenging market. This wide-net view of current offerings, combined with our thorough and conservative evaluations, means we only present opportunities to potential investors that we believe are genuinely high-quality investments.

We do not reduce the rigorousness of our evaluation process for properties simply because we have an investor on a tight deadline to complete a 1031 exchange. The more advanced notice we have, the higher the likelihood you will make a successful exchange.

PWL signed three new leases and a lease extension in January!

Northside Grayson Primary Care exercised their option to renew their existing 5,170 sq. ft. lease for 5 years at [Cooper Village](#).

CenterWell - Senior Primary Care signed a 10-year, 7,200 sq. ft. lease at [Anderson Central](#).

Tacos El Patron signed a new 1,950 sq. ft. lease for years at [Arapahoe & Lima Center](#).

New York Barber & Beauty signed a new 1,300 sq. ft. lease for 5 years at [Cooper Village](#).
